

AI-BASED MEETING MINUTES

Roll Number: 261FB04042 | T.G Sravan Teja | 1st MTech - CSE

41st ANNUAL GENERAL MEETING OF INFOSYS

Conversion of a Corporate Address into Structured Meeting Minutes Using AI

1. Source and Meeting Context

Source	Chairman's Address – Nandan Nilekani
Event	41st Annual General Meeting of Infosys
Speaker	Nandan Nilekani, Chairman
Source Type	Corporate Annual General Meeting address

2. Assignment Objective

Convert the given corporate address into structured meeting minutes using an AI tool. Identify the agenda, summarize the major points, extract decisions or recommendations, and identify action items or follow-up initiatives without inventing information.

3. AI Prompt Used

“Convert the following corporate meeting address into structured meeting minutes. Identify the likely agenda, provide a concise summary of the major points discussed, list important decisions or recommendations mentioned, and extract clear action items or follow-up activities where applicable. Include responsible persons or organizations and timelines only when explicitly stated in the source. Do not invent information. Preserve the original meaning while making the minutes concise and professional.”

4. Agenda

- Review of FY2022 business performance
- Financial performance and shareholder returns
- Board and leadership appointments
- Digital transformation and technology initiatives
- Employee development and talent
- ESG and social initiatives
- Future business outlook

5. Meeting Summary

The Chairman presented Infosys' FY2022 performance, highlighting 19.7% growth in constant currency, US\$16.3 billion in revenue, a 23% operating margin, free cash flows above US\$3 billion, and 41% growth in the digital business. He discussed shareholder returns, board and leadership recommendations, the One Infosys approach, cloud and digital capabilities, employee hiring and skilling, ESG commitments, and the company's outlook amid post-pandemic economic challenges.

6. Key Decisions / Recommendations

No.	Decision / Recommendation
1	The Board recommended a final dividend of Rs. 16 per share. Together with the interim dividend, total FY22 dividend per share was stated as Rs. 31.
2	The Board recommended the reappointment of Salil Parekh as CEO and Managing Director for a second five-year term from July 1, 2022 to March 31, 2027.
3	The Board recommended the reappointment of D. Sundaram as an Independent Director for a second five-year term.

7. Key Initiatives / Follow-up Areas

Initiative / Follow-up	Responsible	Timeline / Status
Continue digital transformation using cloud, data and analytics, cybersecurity, AI, automation and IoT.	Infosys	Ongoing
Continue employee hiring, capability building and learning initiatives including Lex, Hack with Infy and InfyTQ.	Infosys	Ongoing
Expand Infosys Springboard as a global reskilling initiative.	Infosys	10 million+ people targeted by 2025
Continue ESG, sustainability and carbon-neutral initiatives aligned with the 2030 vision.	Infosys	Ongoing
Respond to changing market conditions and pursue opportunities created by digital acceleration.	Management	Ongoing

8. Important Note on Action Items

The source is a Chairman's address at an Annual General Meeting rather than a conventional project meeting. Therefore, it does not contain a standard task list with assigned owners and deadlines. The follow-up items above are presented only as initiatives or commitments supported by the supplied source. No unsupported tasks, owners, or deadlines have been added.

9. Key Takeaway

AI can transform a long corporate address into concise, structured meeting minutes by identifying the agenda, major discussion points, decisions, recommendations, and relevant follow-up initiatives. Human review remains important to ensure that the generated minutes accurately represent the original source.
